MSF ERRORS					
Salmon GRS Rule 83	1	msf	-1	AL (not Alabama)	I should have abbreviated Alabama instead of writing it out.
Salmon GRS Rule 84a.	2	msf	-1	Ninth (not 9 th)	I should have written out ninth instead of abbreviating it because "all numbers that can be said in one or two words must be written out"
Salmon GRS Rule 44a.	4	msf	-1	"It's a sin to kill a mockingbird" (Lee 90).	I should have put the period after the parenthetical documentation instead of inside the quote.

RUN-ON ERRORS

Salmon GRS Rule # 5	3	RO	-1	Another thing that I really liked about <u>To Kill a Mockingbird</u> is that the characters were not your average teenage/younger kids. The children were different and I really liked that because you never knew what they were going to do next.
